RESPONSE TO RESTRICTION REQUIREMENT

Sir:

In response to the Official Action dated November 29, 2001,
reconsideration of the subject application is respectfully solicited.

Claims 90 through 182 are pending, with Claims 90, 98, 107, 116, 117, 124,
132, 150, and 151 being independent.

In response to the Restriction Requirement set forth in the Official Action,
Applicants provisionally elect Group I (Claims 90-115, 124-149, 158-163, 171, 172, 177,
and 178) with traverse, and request reconsideration and withdrawal of the requirement.
Applicants respectfully submit that all of the claims could be searched by one Examiner

without undue effort. Applicants also respectfully believe that it is not mandatory to make a restriction requirement in every possible situation. Applicants respectfully believe that if one Examiner acts on all of the claims of the present application, overall examining time will be less than if multiple Examiners are involved. Applicants also earnestly believe that the examination of all of the claims by one Examiner in the present application will best ensure uniform prosecution quality. Furthermore, Applicants have presented Claims 90 through 182 to provoke an interference with U.S. Patent Nos. 6,045,092 (Foster '092) and 6,029,934 (Foster '934), and submit that efficiency and simplicity would be served if a single application were involved in the interference. Therefore, in the interest of prosecution economy of time and quality for both the Office and Applicants, Applicants respectfully submit that withdrawal of the restriction requirement in this application is appropriate.

FORMAL MATTERS

No fee is believed due; however, any required fee should be charged to Deposit Account 06-1205.

CONCLUSION

As discussed in the Preliminary Amendment filed February 28, 2001, Applicants intend a Request for Interference regarding Foster '092 and '934, and

respectfully request that the Examiner contact the undersigned to schedule a personal interview before acting on the subject application.

Applicants' undersigned attorney may be reached by telephone at (202) 530-1010.
